

SOFTWARE LICENSE AND SUPPORT AGREEMENT

SYNTHETIC TEST CONTRACT — FOR SOFTWARE TESTING ONLY

This document is a fictional test artifact created to evaluate a contract-risk-analysis pipeline. It is not a real agreement and is not legal advice.

1. LICENSE GRANT

Licensor grants Licensee a non-exclusive, non-transferable, limited license to use the Software for the number of authorized users and locations specified in the Order Form during the applicable license term.

2. INTELLECTUAL PROPERTY

All intellectual property rights in the Software, documentation, and related materials remain with Licensor. Licensee receives no ownership interest except for the limited license expressly granted by this Agreement.

3. RESTRICTIONS

Licensee shall not reverse engineer, decompile, distribute, sublicense, rent, or otherwise make the Software available to third parties except as expressly permitted in writing.

4. CHANGE OF CONTROL

If Licensee undergoes a Change of Control, Licensor may review the continued use of the Software and may require a reasonable amendment to the license scope to reflect the resulting organizational structure.

5. WARRANTY

Licensor warrants that the Software will materially conform to its published documentation for ninety days following delivery. Licensee's exclusive remedy for a breach of this warranty is correction or replacement of the affected Software.

6. LIABILITY CAP

Except for a party's confidentiality obligations and indemnification obligations for intellectual property infringement, neither party's aggregate liability shall exceed the license fees paid during the twelve-month period preceding the claim.

7. TERMINATION

Either party may terminate this Agreement for material breach that remains uncured for thirty days. Upon termination, Licensee shall cease use of the Software and destroy or return copies in its possession.

8. CONFIDENTIALITY

Each party shall protect the other's Confidential Information using at least reasonable care and shall use such information only for purposes of performing or receiving the benefits of this Agreement.
