

VENDOR SUPPLY AND PROCUREMENT AGREEMENT

SYNTHETIC TEST CONTRACT — FOR SOFTWARE TESTING ONLY

This document is a fictional test artifact created to evaluate a contract-risk-analysis pipeline. It is not a real agreement and is not legal advice.

1. PRODUCTS AND ORDERS

Vendor shall supply the products identified in accepted purchase orders in accordance with the specifications, delivery dates, and quantities stated in those orders.

2. MINIMUM COMMITMENT

Customer commits to purchase at least 10,000 units of the designated product during each contract year. Unused annual quantities do not carry forward unless the parties agree otherwise in writing.

3. PRICE RESTRICTIONS

Vendor shall not increase the unit prices stated in an accepted purchase order except for a documented increase permitted by the annual price-adjustment mechanism in Schedule B.

4. AUDIT RIGHTS

Customer may inspect Vendor's records reasonably necessary to verify invoices, rebates, and compliance with this Agreement on ten business days' notice, subject to reasonable confidentiality protections.

5. INSURANCE

Vendor shall maintain commercial general liability insurance of at least \$5,000,000 aggregate and product liability insurance of at least \$5,000,000.

6. INDEMNIFICATION

Vendor shall indemnify Customer against third-party claims to the extent caused by Vendor's breach of its product warranties or Vendor's negligence or willful misconduct.

7. LIMITATION OF LIABILITY

Except for confidentiality breaches, intellectual property infringement, and indemnification obligations, Vendor's aggregate liability shall not exceed three times the amounts paid under purchase orders during the preceding twelve months.

8. TERMINATION FOR CONVENIENCE

Customer may terminate this Agreement or any purchase order for convenience upon sixty days' written notice. Customer shall pay for conforming products delivered before the effective termination date.
